29 Entrants In The Limited Class - Class winner James Austin with a winning time of 274.04 Seconds, 40.55 seconds in front of the pack.

International Confederation Of Revolver Enthusiasts (I.C.O.R.E.) **Grand Master, James Austin**, entered and won the **Regional I.C.O.R.E.** Match held this past weekend, August 28 & 29, 2010 in Salem, Oregon. **James** won his **Grand Master Rating** in last year's **ICORE International match** held in **San Luis Obispo, California**. That match was international in scope, with representatives from **5 Countries** and over **100 Entrants**. This match, held in **Salem, Oregon** was **Regional**, and will decide who goes to **San Luis Obispo, California in June** of next year. This reporter believes it a safe bet **James Austin** will be the first name on the mailing list of invitations when they are dispatched next year.

This year's **Regional ICORE Match**, held in **Salem, Oregon** this past weekend, was contested by **29** other **Revolver Enthusiasts** shooting in the **Limited Class**. The entrants placements were decided by their aggregate times for each of the **9** different stages. **James'** progress through the match looked something like this: (Actually, it looked **exactly** like this -)

- 1) **James'** time was **26.96** with the 2nd place gun turning in a **33.04 James** up by **6.08 seconds**.
- 2) **James'** time was **27.33** with the 2nd place gun turning in a **30.56 James** up by **9.31 seconds total**.
- 3) **James'** time was **17.72** with the 2nd place gun turning in a **25.6 James** up by **17.19 seconds total**.
- 4) **James'** time was **22.84** with the 2nd place gun turning in a **22.44 OOPS!!** Don't look back, **James. James** up by **16.79 secs**
- 5) **James'** time was **40.98** with the 2nd place gun turning in a **42.25 James** up by **18.06 seconds total**.
- 6) **James'** time was **21.11** with the 2nd place gun turning in a **25.50 James** up by **26.84 seconds total**.
- 7) **James'** time was **35.91** with the 2nd place gun turning in a **43.11 James** up by **34.04 seconds total**.
- 8) **James'** time was **28.61** with the second place gun turning in a **35.49 James** up by **40.92 seconds total**.
- 9) **James'** time was **52.58** with the 2nd place gun turning in a **56.60**.

This brought **James Austin's total time for the match to 274.04 Seconds** with the second place gun's total at **314.59 seconds**, giving **James** a **40.55 seconds Cushion for the match. Wow!! James Austin** certainly had his **Smith & Wesson ICORE LIMITED CLASS REVOLVER** workng for him today. Truly a dominating performance. Well done James, and congratulations on a fine performance. We'll be waiting breathlessly to see how you do in next year's International ICORE match in June of 2011. Until then, this is your reporter signing off, and reminding you once again:

"SHOOT FAST! SHOOT ACCURATELY!! BUT MOST OF ALL, SHOOT SAFELY!!!"
