Second Summer of Thursday Night 5- Stand

GHSC 5-Stand regular hours are Sunday afternoons, 12 noon through 4 pm.

On the second Thursdays of July, August and September, July 9th, August 13th and September 10th, the 5-Stand will be open for shooting from 6 pm - 8 am.

5 - Stand is the best practice for bird hunting. You will always load 2 shell, plan on a minimum of 30 shells for each 25 targets. This is an excellent opportunity for you to use those other favorite shotguns. Bring your dad's gun, heck, bring your grandfather's gun, or your 16, 20, 28, or .410 gauges.

5 - Stand consists of a Single target that you may shoot at twice. A Report Pair, the first target is released on the "pull" and the second target is released on the report of the gun firing. A True Pair, two targets are released on the "pull". The same repeats at ll the five stations.

Come and shoot our Wild Clay Birds.
