

## ATTENTION RIFLE AND PISTOL SHOOTERS

We are repairing the rifle range this spring and summer.

*Expect last minute range closures*

We are replacing the overhead baffles and adding bullet shields.

We will attempt to do as much work as we can on Tuesdays

**We need your help to repair your range.**

Contact Ben Pearson at [BJPearsonii@aol.com](mailto:BJPearsonii@aol.com) to volunteer.

### **TRAP & FIVE-STAND RATE INCREASE**

We've done our best to resist rate increases in these times of rising cost.

The rates for Member Trap have not been increased since as far back as 2006-perhaps even longer ago than that. Utilities, parts, maintenance, targets and salaries for the few employees we have are all part of the cost to throw targets. We now find ourselves losing money on each round of targets we throw at Member Rates.

Effective June 1, 2010, the Member Trap Rate will increase from \$4.00 to \$5.00 and the Member Five Stand Rate will increase from \$5.00 to \$6.00.

Punchcards will be available to member's only for trap.

The 12 round card will be \$54.00 (\$4.50 per round).

If you have any questions about this - Please Contact:

John Fowler @ (253) 851-5498

### **\*\* KITCHEN NEWS \*\***

The Kitchen remodel is well underway.

Soon we will have a restaurant quality facility approved by the county.

We anticipate being open for business with the next month or two.

It's time to find volunteers to cook on Thursday nights as well as the

other occasions where we will be serving meals. Per the county,

regulation, by which we must abide, all volunteers on the kitchen side

of the counter (with the exception of dishwashers and cashiers) will

need to have a food handler's permit issued by the county. It's a simple

test: It just takes an hour of your time and \$10.00. We need to get

working on this ASAP because the kitchen will be open before you

know it. For any more information, please contact:

John Cheyney at [cheyndawg@comcast.net](mailto:cheyndawg@comcast.net) or

Bruce MacDonald at [mbcom@prodig.net](mailto:mbcom@prodig.net)
