Anyone interested in establishing an Archery Range here at the club should contact Thom Halligan @ 253 857-8774 or at [thomon34th@comcast.net](mailto:thomon34th@comcast.net)

There are currently no Archery Ranges in the area, so the addition of such a facility would be an asset to the community, as well as, an opportunity for local sportsmen wanting to sharpen or develop their archery skills.

Please express your interest to shoot and/or to help. If there is sufficient interest and expected participation, I will pursue the matter.

### Financial Audit gives GHSC a Clean Bill of Health

In accordance with our by-laws the Board of Directors Audit Committee recently commissioned a review of our financial procedures, bookkeeping, and fiscal accountability. That review – just completed – reviewed bookkeeping, tax returns and found no errors or improprieties. Further, it stated that our treasurer “has a high degree of knowledge and responsibility with regard to the financial processes”. The review offered eight recommendations to consider that will enhance our procedures.

We are grateful to GHSC member John Allen and the Accounting Firm Doty, Beardsley, Rosengren & Co. for their fine work in this review. If there are any questions regarding this review – please contact one of the Audit Committee members, John Fowler, Chuck Nicodemus, or Harlaan Schmidt.
